

# MBA FACULTY COMMITTEE MINUTES

CALL TO ORDER: The meeting was called to order by Brother Mel Anderson, President of Saint Mary's College, at 2:35 p.m. in Room 213 of Dante Hall.

APPOINTMENT OF FACULTY MBA COMMITTEE: Brother Mel's introductory remarks indicated that in compliance with a recommendation passed by the Board of Trustees in its meeting on October 20, 1970, a Faculty MBA (Master's in Business Administration) Committee at Saint Mary's College had been formulated. He explained that the committee is composed of on-campus personnel, and its duties involve the study and development of the thesis and idiosyncrasies of a Master's program in Business Administration.

Brother Mel officially named the following individuals to the Faculty MBA Committee: Brother Louis, Chairman, (Dean of Continuing Education), Dr. Joseph Beard (Education), Brother Gene (Political Science), Dr. Joseph Lanigan (Philosophy), Dr. Katherine Larson (History), Dr. Philip Leitner (Biology), Mr. Donald LoGuidice (Economics), Brother Raphael (Mathematics), Dr. Fred Whelan (Psychology), and Brother William (Philosophy). Also, he indicated that Mrs. Wanda Brechler would serve as secretary to the committee.

ROLL CALL: Committee members present were: Brother Louis, Dr. Beard, Brother Gene, Dr. Larson, Dr. Leitner, Mr. LoGuidice, Brother Raphael, Dr. Whelan, and Brother William.  
Absent was: Dr. Lanigan.

PURPOSE OF FACULTY MBA COMMITTEE: Brother Mel explained that the MBA program had been discussed at length by the Board of Trustees at its meeting on October 20, 1970, and that very extensive and detailed questions had been asked of Dr. Rafael Pollock, Dean of the College, Brother Louis, and Dr. William Taucher, Chairman of the School of Business Administration, regarding the ramifications of such a program. In addition, the Trustees had requested that a committee be formulated of non-SMC personnel that have had experience with similar programs at other universities. That committee will serve as consultants involving the advisability and implementation of a MBA program at Saint Mary's College. Brother Mel pointed out that the Board of Trustees agreed that a MBA program should not be started until September 1, 1971.

Brother Mel stated that the purpose of the Faculty MBA Committee is to study and discuss thoroughly the MBA program and to develop a written report to be submitted to the Board of Trustees, the Academic Council, and the faculty concerning the following aspects: philosophy of the program, relationship to the undergraduate program, relationship to the entire philosophy of the college, criteria for the program with an emphasis on quality-control, admission standards, program of courses, instructors, quality of instruction, market for the course, number of students involved, geographic location of prospective students, content and consistency of advertising for the program, competition in the area, price schedule and its competitiveness, criteria for evaluation of the program, compliance with current degree standards, and all other data or information considered pertinent by the committee.

Brother Mel explained that due to the meeting schedules as outlined for the Trustees, Academic Council, and faculty, it is imperative that the Faculty MBA Committee's final, written report be available by November 25, 1970.

Brother William expressed concern over the limited time element. He stated that it is his strong belief that the faculty must have an opportunity to study and discuss the MBA issue. He emphasized that the faculty will have specific and serious questions concerning the correlation of a MBA program and the undergraduate program.

All committee members expressed a real concern regarding the true role of the Faculty MBA Committee. Several committee members stated that at the present time they are not knowledgeable about a MBA program. Therefore, it was the consensus of opinion that informative study is essential regarding the proposed program.

Brother Mel reiterated that the real power lies with the Board of Trustees; however, the Board wants reports from the Academic Council, the faculty, and it is very interested in the recommendations of the MBA Committee, but especially the reasons substantiating its decisions. He suggested using the clinical-analyst point of view whereby the committee would present the pros and cons, take a detached viewpoint, and then give a definite, well-thought-out opinion.

Mr. LoGuidice suggested a philosophic versus technical technique whereby the non-SMC committee would determine the courses, etc., and the MBA Committee would contain itself to the philosophy and relationships of the MBA program.

Dr. Leitner proposed that it might be useful to consult with outside experts who have an affiliation with a college comparable to Saint Mary's and an operable MBA program initiated within the last ten years.

Brother Louis pointed out that Pepperdine College is similar in size to Saint Mary's, and has undertaken a graduate program in Public Administration.

At this time Brother Mel turned the meeting over to Brother Louis, Chairman, and departed.

Brother Louis informed the members present that the formal establishment of the Faculty MBA Committee would be announced by the President's Office. In addition, he distributed to the committee members for their perusal a book, PROGRAMS OF GRADUATE STUDY IN BUSINESS 1970-71, (in total, Page 5), and a mimeographed bulletin specifying the aims and values of a MBA program (Page 6). (These items are incorporated in the official minutes as Pages 5 and 6).

After a brief discussion, Mr. LoGuidice suggested that the committee initially focus its efforts on the relationship between a graduate and an undergraduate program. All committee members agreed that this is a very crucial issue.

Brother William requested that minority viewpoints be included in the final report of the committee. All committee members concurred with this request.

REGULAR MEETING SCHEDULE FOR THE FACULTY MBA COMMITTEE: After much discussion, it was moved by Brother Raphael, seconded by Dr. Whelan, that the meeting of the Faculty MBA Committee be regularly scheduled on Tuesdays at 3 p.m.; therefore, the next meeting will be on November 10, 1970.

MOTION: Motion carried unanimously.

ADJOURNMENT: It was moved by Dr. Larson, seconded by Brother Raphael that the meeting be adjourned.

MOTION: Motion carried unanimously. The meeting was adjourned at 3:22 p.m.

Respectfully submitted,  
(Mrs.) Wanda E. Brechler, Secretary

# ACTIVITIES

By Lee Jones

Another new week ahead and one of excellent results in the past. Last weekend saw the soccer team bring in their first victory of the season and saw the football team even their season record at four wins and four losses with a convincing victory over Loyola. The week ahead brings on an activity filled weekend what with this being the last games for both football and soccer. A dance by the Senior class is set for Saturday evening with the rest of the week filled with either movies or a lecture.

Looking back to last weekend. The soccer team charged on to a rather muddy Saint Mary's field last Saturday to face the University of California from Santa Cruz. The team led by scorers Joe Blell, Shola Sobayo and Gil Cortez put together an excellent first half to win 5-4. Two of Santa Cruz's goals came on penalty kicks. Though the first half was all Saint Mary's, Santa Cruz did come back in the latter part of the game to make the going rough for us.

In Los Angeles, the Lions from Loyola University played host to Saint Mary's and that was where it all ended with Saint Mary's trouncing the Loyola team 20-6. Julio Lopez was the big man once again as he led the ground attack with 106 yards in 31 carries. For his performance he was named the Player of the Game. Saint Mary's QB Jerry Murphy was also honored as the Most Valuable Team Player. Also significant was Mike Fannuchi who scored on a TD and a field goal. Also tallying points were Don Angel and Jerry Chabola. Over on defense John Ring wearing old number 41 made his debut and played a significant part in this victory. John was both on the specialty teams and also played at the defensive halfback position. This victory over Loyola was the first in two seasons. The last win was in a game disputed by Loyola coach Brownfield. This victory should leave no questions to be answered. A word of thanks goes out to all of you that made the trip south to support the team. We all know that the fans play a really important role, especially in a game like this.

\*\*\*\*\*

The week ahead here on campus gets under way tonight with another in the College Lecture series bringing Mr. George Thayer to Dryden Theater at 8 p.m. Mr. Thayer will speak on "Political Thought." No admission will be charged.

Tomorrow sees both the soccer and the football teams finish out their 1970 campaigns. The soccer team faces the GOLDEN BEARS from U.C. Berkeley. Game time for this finale is set for 11 a.m. Off their only victory of the season last week, the Saint Mary's team, though out of league contention, will be eager to end the season on a convincing and winning note. Look for a rough and hard hitting contest. With good breaks I pick the Moraga team in a close match.

Over on the gridiron (or Mel Anderson Field, as some call it) the football team plays host to Oregon Tech in their season curtain call. Oregon who are winless in their seven games has been playing hard competition and should prove tough opposition for the men of Saint Mary's. What with Saint Mary's off a big win for the season and eager to have a winning season I pick the Red and Blue Gang to be victorious in this one again. A lot will depend on the play of usually big performer Julio Lopez who has yet to be stopped this season. If Murphy can start hitting it will be SMC all the way. Kick off is for 2 p.m.

On Saturday night starting at 8:30 p.m. in Oliver Hall the Senior Class of Saint Mary's will sponsor a dance. The dance is set to run from 9 p.m. till one o'clock in the Sunday morn. Music will be provided by two groups, Indian Lady and Ostrich. The price of admission is a nominal \$1.50. Combined with the assorted parties that will be going on, Saturday evening should really be jumping.

Independent of Pat Bonnaci is "East of Eden" to be screened on Monday night in Dryden Theater. The film should start rolling at 7:30 p.m. and then again at 9:30 p.m.

Thursday night sees a lecture scheduled in Dryden Theater. Topic for the evening is "Underwater Archeology in the Adriatic." Though no time is listed I assume that the lecture will commence at 8 p.m.

That's how things look for the week here on the Moraga campus. Now to look around the Bay Area and to see what activities of interest there might be for us.

Over at Bill Graham's FILLMORE/WEST are THE KINKS and ELTON JOHN. These two will be backed up by Ballin' Jack and by Juicy Lucy. Then at PEPPERLAND in San Rafael Doug Kershaw, The Incredible String Band and Joy of Cooking will perform tonight and tomorrow night.

Over in Berkeley at the Community Theater, LEONARD COHEN and The Army will perform a program of songs and poetry. The show is set for Sunday night at 8:30 p.m. Admission ranges between \$5 and \$3.

In films, WUSA with both Paul Newman and Joanne Woodward starring seems to be too good to miss. The documentary on Muhammed Ali, called A.K.A. Cassius Clay, is now playing in The City and soon should hit Bay Area theaters. The film goes through his life as a fighter and the recent problems that have affected him and even lost him his title. The initials in the title stand for "also known as."

That's all for this week. The future looks bright as the holidays get closer to home. Until next time pray for peace.

## LETTERS

An Open Letter To:  
Mr. S. A. Applegate  
REGARDING: The imposed fine  
of \$25 on dog owners.

Dear Mr. Applegate,  
We have received the letter from Mr. Odell Johnson's office IMPOSING A TWENTY-FIVE DOLLAR FINE on all dog owners. We are directing this letter to you because we feel there was definite pressure on Mr. Johnson, by your office in imposing this fine.

In answer to the tactics which you have maintained we the dog owners have formed a stand which is as follows: 1. We will meet with Mr. Johnson and discuss the situation of the dogs on this campus.

2. For the present time the dogs will remain on campus until the problem has been resolved.

3. We refuse to pay the twenty-five dollar fine!!!

Pad Giffen, Bill Dobert, Pam Rubino

The Collegian apologizes for a typographical error in last week's issue. In the letter from Prandy Yulo, Secretary of Foreign Affairs for Aquinas Fourth Floor, we failed to include the name and title of MICHAEL COONEY THE DIRECTOR OF IMMIGRATION. We realize the hardship and strain this has caused Mike and we can only hope that he finds it in his heart to forgive us for our oversight.

One of our  
Paulists calls  
it "home"...

Home is where the heart is.

Home is also wherever a Paulist is needed.

Whether the Paulist works in a ghetto, a college campus, a city parish or a remote corner of the United States, he is *serving*.

The Paulist is ministering with words, deeds and sacrament . . . and zealous care to the needs of God's People everywhere. He is meeting today's problems with thoughts of those that will arise tomorrow.

That is the Paulist way. It isn't easy but the worthwhile things of life seldom are.

If you are interested in learning more about the Paulist priesthood, write to:

Rev. Donald C. Campbell, C.S.P.  
Vocation Director

**Paulist  
Fathers**

Room 113  
415 West 59th Street  
New York, N.Y. 10019

Blessed Virgin of Domination  
Convent - Pinole, California

Dear Sirs;

The following is the text of a letter I recently received. I pass it along with my best wishes that it may benefit your readers, whose warm response to my humble critical essay was less than I desired but more than I expected. I only omit the long list of names that was appended to the original letter. The mistakes are in the original.

THINK A PRAYER

Trust in the Lord with all your heart and all will acknowledge him and He will light your way. This prayer has been sent to you for good luck. The original copy came from the Netherland. It has been around the world nine times. The luck has been sent to you. You are to receive good luck within four days after receiving this letter. It is no joke. You will receive it in the mail. Send 20 copies to friends you think need good luck. Please do not send money. Do not keep this letter. It must leave within 96 hours after you receive it. A U.S. officer received \$7,000.00. Don Elliott 60,000.00 but lost it because he broke the chain while in the Philippines. Gen. Walsh received the Think a Prayer but lost his life 6 days after receiving because he failed to circulate this letter; however before his death he received \$775,000.00 he had won. Please make 20 copies and send away and see what happens to you on the fourth day. Add your name to the bottom of this list. Leave off the first name when copying this letter.

Lovingly,

Sr. Ursula Weed, B.V.D.

"THROW THE TROUBLE-  
MAKER OUT"

This has been the reaction which the administration has taken regarding my presense on the Saint Mary's campus. At the present time the administration has imposed a hardnose policy with a fine of twenty-five dollars accompanying a warning. (At this time one dog owner has acutally been fined.)

Recently Mr. S. A. Applegate distributed a completely absurd notice which stated that I am no longer allowed in the library, the art gallery, and the gym. Also, I am unhappy to announce that I will no longer be able to attend Sunday services in the chapel, thanks to Mr. Applegate. Stan has stated the quad as the designated area where me and my canine playmates are permitted. This may be very well during the day but where am I to stay at night?

What disturbs me the most is the prejudice which has been shown to my species. This is in regard to Br. Michael Quinn who is the father of a quite large (excuse the expression) "dog." The policy of no dogs on campus has been waved for the former president, and he will be entitled to keep his dog, in his room, without the worry of a fine (or loudmouth janitor).

All I am asking is that some thoughtful consideration be shown for me and my friends. How many of you have stopped to pet my furry coat? How many gloomy days have I brightened with merely a cold nose on your hand? For all the happiness I have shown you I am only pleading for my safety and for the safety of my playmates.

I understand there are rules I must follow and I am quite sure my friends will fully cooperate. To all in office I implore, please think twice before throwing me out in this cold, cruel world.

thank you for your time, The  
c.o. pup

## FOOTBALL PLAYERS OF THE WEEK

### LOYOLA

Defense

Offense

NO PICTURE AVAILABLE

JOHN FERNANDES

The Gaels' offensive line played an excellent game. Among the standouts was John Fernandes. John's fine blocking opened many holes for the running backs. And his pass blocking enabled the Gaels to crush the Lions.

GREG SCHNEESEIS

As a defensive back, Greg was instrumental in breaking up the Lions' attack. He made a fine interception, and broke up numerous other passes. His sure tackling enabled him to contain the Lions' ground game.

# ROMPER ROOM REPORT REVEALED

EXECUTIVE COUNCIL NOV. 9

The Executive Council was called to order at 6 p.m. November 9 by Mike Genovese. It was announced that the Representative-at-large election would be held Wednesday, November 11.

Bill DeCiccomotioned that Mr. Applegate be contacted about the poor laundry facilities as well as the speed-bump. This was passed.

A committee was then announced to evaluate the administration. The members being Sean Devine, Mike Snider, George Ehring.

The class of 71, 72 are to be contacted about their outstanding loans and are asked to be present at the next agenda meeting.

A finance report was then made by ASSMC treasurer George Haddad. A motion was made by Jim Specht that each minor sport be considered separately. This was approved.

The following allocations were made and approved by the executive council after much detailed discussion:

Crew	\$4,000
Rugby	\$1,800
Football	\$2,250

It was then motioned by Mike Kelly that the council not vote on tennis at the present time. This was passed. The council then decided to wait for a report

from George Haddad on added information on golf and tennis before allocating them money.

Mecha and the BSU then asked the executive council for money this semester. After much discussion, Mecha and BSU decided to ask for the money as one unit. Bill DeCicco then motioned that \$2,000 be given to Mecha and the BSU with whatever is left over from the budget be put into a contingency fund. The motion passed.

George Haddad then recommended that \$800 be loaned to the food service group with the profits (above the breakeven point) going to the Executive Council. After discussion a motion was made and defeated. It was then decided that the food service loan be brought up later before Thanksgiving.

Joe Blell then brought to the Executive Council's attention how unfair it had been for the candidates for rep-at-large to have the election date changed. He pointed out that it had cost him an inconvenience financially. The Council then recommended that he take this problem to the judicial committee.

There being no further business, Jim Specht motioned that the meeting be adjourned. The meeting was adjourned at 9 p.m.

Respectfully submitted,

Teri Aguilar  
ASSMC Secretary

## NEWS COLUMN

### Clinnick/Finkelstein Announce

The Collegian is happy to announce that Lynne Finkelstein, an SMC coed, and our staff photographer Rick Clinick are engaged. This is the first recorded engagement between a couple who met while both were full time students at Saint Mary's College.

### January Term Information

Resident students who register for an off-campus travel or independent study course during the January Term MAY be entitled to a \$15.75 weekly meal refund. All students who request this refund must file an application with the Registrar before December 1. Applications are available in the Registrar's Office.

As a further note on the January Term, all students are reminded that they have only until Monday, November 16, to file without incurring both the wrath of our Registrar and a \$5 late filing fee to boot. So all students who haven't got on it and done it are requested to run down to your friendly neighborhood Registrar and fill out the pre-registration form.

### Ruegg Lecture

Brother S. Dominic Ruegg, FSC, professor of theology and classics at Saint Mary's, will speak on "Underwater Archeology in the Adriatic." The lecture will be held on Wednesday, November 18. The lecture is open to the public free of charge.

### Thayer Lecture

A lecture entitled "Political Thought" will be delivered by political author George Thayer on Friday, November 13, at 8 p.m. in Dryden Theater. The lecture, sponsored by the Saint Mary's Social Committee, is open to the public free of charge.

### State Scholarship Information

All students who plan to apply for a California State Scholarship are reminded that applications must be postmarked no later than December 3, 1970. They are also reminded that Scholastic Aptitude Test must be taken before December 5, 1970 and the final filing date for the test is November 18, 1970. Applications are available in the Financial Aid Office and all interested parties are encouraged to apply soon.

### Dance

The Senior Class of Saint Mary's will be holding a dance on November 14, 1970, from 9 p.m. to 1 a.m. The two bands, Indian Lady and Ostrich, will be performing in Oliver Hall. Admission is \$1.50.

### Jobs in Europe

The American-European Student Services has announced a number of job openings in Europe. For further information and job applications all interested parties are encouraged to write to: American-European Student Services, Box 34733, F1 9490 Vaduz, Liechtenstein (Europe).

### Film Festival

The newly formed International Experimental Film Society will be holding its first of what is hoped to be an annual, film festival and competition at Canisius College in Buffalo, New York.

The festival, being held from February 11 - 13, is especially oriented towards the beginning filmmaker. Aside from cash prizes, equipment, especially in the novice group, is being offered.

Deadline for entries is December 21, and for film arrival, January 4. For further information and entry blanks contact The International Experimental Film Festival, Canisius College, 2001 Main Street, Buffalo, New York, 14208.

### Because It's There/Pfau

"BECAUSE IT'S THERE - EASY RUNNER" NOTICE TO ANYONE INTERESTED IN ASSISTING A SENIOR PSYCHOLOGY STUDENT OVER THE UPCOMING (JANUARY) TERM:

As an integral facet of an independent psychological research project (i.e. "Because it's There-The Psychodynamics of Individual Competitive Behavior") . . . designed to subjectively measure the many psycho-physiological factors - e.g. motivational strength, stress, respiratory rate, etc. - that the individual may possibly encounter when subjecting himself to "extreme hardship and duress in various fatigue situations" - I will purposefully be initiating a (fairly) long-distance run to Arcadia, Calif. . . averaging approximately 35-45 miles over a 12 day period (from SMC). For this reason, I am in need of 13-14 different people (living app. 40 miles apart from one another - from St. Mary's to Pasadena) who would be willing to house (overnight) myself and another student from a period beginning Dec. 20 through the 22nd. I would be glad to compensate for any expenses that might become additional. If anyone is interested, please see. . . Paul Pfau (Aquinas 407; ph. 376-9962), Mike Rocchi (Augustine 216). . . Thank you very much.

# DRAFT LAW COLUMN:

"THE TURNIP BLEEDS"

Names can be deceiving. Take the "Public Information Office" at Selective Service, for instance. The P.I.O. is really a "PUBLIC RELATIONS" office. It just happens to dispense packaged information as its stock in trade.

True public information has never been closely associated with the Selective Service System. During General Hershey's junta, the draft remained, in his words, "ONE OF THE BEST KEPT SECRETS IN AMERICA." Just this week, the present Public Information chief, Ken Coffee, told this reporter: "While General Hershey reigned, getting information from the P.I.O. was like trying to squeeze blood from a turnip."

But the times they are a-changin'. At the insistence of Dr. Curtis W. Tarr, director of Selective Service, the P.I.O. is now instrumental in furthering an "OPEN DOOR" policy. As part of this unabashed PR campaign, the P.I.O., on October 29, sent over 1100 draft counseling organizations a special letter signed by Dr. Tarr. "Friends," the letter begins, and it goes on to offer certain "straightforward and factual" materials on the draft.

These materials are prepared by Selective Service and can be ordered free of charge from the Public Information Office, National Headquarters, Selective Service System, 1724 F Street N. W. Washington, D.C. 20435. The materials include five so-called "booklets" entitled "Perspectives on the Draft" (a general discussion), "If You're Asked" (an abbreviated version of "perspectives"), "The Lottery," "C.O.," and "Hardship Deferments."

Although the "booklets" will not be published for another month, your reporter has obtained page proofs for each "booklet." These proofs contain several legal errors. Hopefully they will be corrected before final printing. The number of inaccuracies may have been kept down, because the "booklets" are so short. The "booklet" on "Hardship Deferments," for instance, is shorter than this column—which raises the question, when is a column a "booklet" and vice versa?

While the "booklets" are "factual," as the P.I.O. asserts, the facts are mostly nonfunctional. You simply cannot use them. Take one typical example out of many. "The Lottery" explains: "If a man receives a very low number, his chances of being drafted are great. If he receives a very high number, his chances of being drafted are much less."

"Facts" such as these—and they abound—are appalling understatements. They might not be so distressing if only the "booklets" were longer. A short "booklet" cannot stand much padding without becoming, in effect, even shorter.

Finally the "booklets" overgeneralize. Consider the following discussion of a Presidential appeal in "Perspectives on the Draft": "You will receive another Notice of Classification card after the state appeal board has considered your case. The vote of the board is recorded on the card. If the vote is not unanimous, you have a right of appeal to the President. From the date of the appeal board notice you have 30 days to inform your local board that you wish to appeal to the President." To begin with, all of this information—all of it—is conveyed on the back of your Notice of Classification. In fact, your card is even more detailed, because it also tells you that a Presidential appeal must be requested in writing.

If "Perspectives on the Draft" were really detailed and useful, it would explain how to obtain a Presidential appeal, even when the vote of the state appeal board is unanimous; how to get the state appeal board to reconsider its own decision, before a Presidential appeal is taken; and how and when to submit a written argument to the Presidential Appeal Board.

This reporter believes that the P.I.O. engages in sheer public relations whenever it dispenses condensed over-simplified generalities. Such information is really non-information. It cannot be used. Why, then, is it spewed forth? Because the very act of communicating so-called "public information" creates greater receptivity for the role of Selective Service in American society. That is public relations not public information.

Any draft counselor who finds something new in the five "booklets" had better turn in his peace symbol. He is not qualified to counsel.

Any registrant who accepts at face value the statements made in the "booklets" is in trouble. He will have swallowed a dangerous string of half-truths and misleading generalizations.

The draft law is not pabulum. It cannot be reduced to a baby's formula. In terms of sheer complexity and inter-related problems, draft law yields nothing to tax law or securities law.

That is why this reporter co-authored a 626 page book on the draft and called it MASTERING THE DRAFT. The only way to cope with the draft is to "master" it. There are no halfway measures worth risking. You must really get into the draft and plan out your options over the long term. MASTERING THE DRAFT lets you know more about the draft than your draft board knows. Such an edge is crucial, because Selective Service often treats the law as though it were child's play; and you pay the price for the draft board's ignorance and your own.

We welcome your questions and comments about the draft law. Please address them to "Mastering the Draft," Suite 1202, 60 East 42nd Street, New York, N.Y. 10017.

# FRIENDLY STUDENTS WIN OVER ADMINISTRATORS

The following interviews were conducted upon the premise that objective criticisms from those working in the various services at Saint Mary's might be beneficial to the students. Each person was asked for negative or positive comments about the students and the school. Some offered information that might be of concern to those attending SMC.

—MIKE SNIDER

MRS. MARY KALLAS: SMC Post Office Employee. Mrs. Kallas, who has worked at Saint Mary's since the Pre-flight School day's, commented on the change in student apparel. At one time a shirt, slacks, and tie were a class requirement. Nevertheless "they have always stayed friendly. This is the best year I have had so far. . . people seem much more friendly."

FATHER ED MARTIN, Chaplain: A former student of Saint Mary's, Father Martin feels that the college as a whole has a forward looking academic viewpoint. In the positive light, the chaplain sees, "a very good rapport between students and the faculty. Students are much more critical of teachers and courses, which means they are interested." Father went on to say that there are a number of students who, without considering the issue, immediately react negatively to any new proposals for the college and student life.

MR. PETER JOHNSON, Maintenance: Mr. Johnson has recognized no big change from last year. However, "Everybody seems much more friendly," he added. Concerning the issue of dogs on campus, he interjected: "I don't mind the dogs. Look at that," he said, pointing to a little beige dog playing on the Quadrangle lawn, "There is something you cannot take away."

RODRICK M. ARRIAGA, Registrar: "There has always been a high degree of openness and

friendship," Arriaga commented. A former SMC student, he feels that change has been along the lines of social-political awareness. As a side note, "The presence of coeds has been a pleasant addition."

As registrar, Arriaga expressed concern over the difficulty of communicating to the entire student body. In many cases students do not look for information posted. At the moment, he is trying to keep students notified of the January courses and supplements. "It's really disheartening to see a person forced into a course he does not like," he concluded.

CARL DUNNE, Manager of the Food Service: Dunne has been facing a number of difficulties, not the least being "a few immature" students who are work-

ing against him and who seem to control student consensus. "Problems do not extend just from the food service," Dunne said. "Cooperation is necessary from the majority." In spite of complaints and a petition from De LaSalle Hall, nobody signed to be on the food committee.

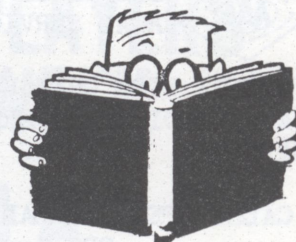

Dunne, who has been asked to be on the newly formed dorm council, thinks that, "once the students are advised to the problems of the cafeteria, 90 per cent of our problems could be solved." If stealing of the cafeteria utensils (such as salt and pepper shakers and dishes) would stop, such things could be restored, and Oliver Hall "would not look like a prison. If I really thought it was a losing battle," he concluded, "I would not stick around."

## Finger Flippers Fail to Foil Frisco Fete

I marched with many other people and enjoyed it—we marched for peace. We shared stories and jokes along the way, and we shared some Seven-Up too. It was a magnificent feeling as we walked down the main San Francisco streets, looking up at the huge skyward bound concrete and steel blocks and waving peace at the faces behind the glass apertures. The sun beat down and we walked on—through red lights sometimes, with the police waving us on. The cops, attired in shades and classic faces—some with beer bellies, but I saw one with a flower and a grin. The group came alive and vocal, "Peace! Now! Peace! Now!" and the silent faces listened. "One, Two, Three, Four, We don't want your dirty war!" Some people sneered, one man in his newsstand shouted with contempt over and over, "Get a job, Get a job!" Kids were abundant and

they laughed and enjoyed the passing circus, some mimicked the peace sign, most smiled. Some people just gave us the finger. Most people were simply observers of the great phenomenon—a passing tide of young people getting involved—or "stupid kids" - whatever. But I enjoyed the march, I met some good people and some sincere people. All of us got together one Saturday to march for peace, and we did. And that great mysterious "movement" grew a little. For a few hours we were one—and if you want to know what the march accomplished I think it was that. And the Peace Proposition we marched for won in the election.

I thank you,  
Bill Nownes
